

Sarala's Page: Scrambled Gandhi Quotes

Tamil Nadu's city of Madurai is the home of the Gandhi Museum, one of several museums in India which pay tribute to Mohandas K. Gandhi, father of India and one of the world's most admired peacemakers. Gandhi, called "Mahatma" (meaning "Great Soul"), encouraged people to simply resist submitting to unfair treatment, even at the cost of life or health. He held that eventually justice would prevail if people refused to accept what is wrong. His words of wisdom are often quoted.
